

# SEP APPLICATION LETTER

7 March 2018

## Carrum Downs Secondary College Select Entry Program (SEP) 2019

Dear Parent / Guardian

At Carrum Downs Secondary College our Select Entry Program (SEP) delivers academic extension, acceleration and enrichment. Students who are part of the SEP program are actively encouraged to participate in the many extra curricula activities we have on offer, such as Student Leadership, Interschool Sport, Instrumental Music and Drama to name a few.

When considering an applicant for the SEP Program, we take into account both academic progress and individual merit. Students do not necessarily need to adhere to all the criteria listed below, but as a general guide, are expected to meet some of these expectations. The qualities we look for in successful applicants include:

- Students who have a love of learning.
- Students who require a genuine challenge with their studies.
- Students who have well developed numeracy and literacy skills.
- Students who are enthusiastic and avid readers.
- Students who are self-motivated and well-organised.
- Students who embrace school leadership opportunities.
- Students who active members of their communities.

All students wishing to apply for the SEP program for 2019 must complete and submit the following documents:

1. A written Expression of Interest to the college
2. A Letter of Referral from their current classroom teacher

The application must be sent to the college no later than **Friday 8<sup>th</sup> June 2018**, marked attention to Amanda Brabham –

Email: [brabham.amanda.j@edumail.vic.gov.au](mailto:brabham.amanda.j@edumail.vic.gov.au), Fax: (03) 9782 8422  
or Post: PO Box 8845 Carrum Downs 3201.

If you have any questions regarding the program, please contact the college on 9788 9100.

Yours Sincerely
