

Electronic Funds Management Policy

Purpose

The purpose of this policy is to set out how our school will manage electronic funds in accordance with applicable Department of Education and Training policy and law.

Scope

This policy applies to:

- all staff/responsible persons involved in management of funds transacted electronically
- all transactions carried out by Carrum Downs Secondary College via the methods set out in this policy

Policy

Carrum Downs Secondary College has developed this policy consistently with the Schools Electronic Funds Management Guidelines and Section 4 Internal Controls of the Finance Manual for Victorian Government schools.

Implementation

- Carrum Downs Secondary College school council requires that all actions related to internet banking are consistent with The Department's Schools Electronic Funds Management Guidelines, as the approved software for all internet banking activities as individual authority and security tokens are required.
- Carrum Downs Secondary College school council approves the use of Bank Australia for as the approved software for all internet banking activities as individual authority and security tokens are required and Westpac Banking Corporation as the provider for the merchant facility.
- All payments through internet banking software must be consistent with Department requirements and must be authorised by the Principal and one other member of school council nominated by the school council.
- Carrum Downs Secondary College school council will determine how refunds will be processed and refunds will not be permitted to be processed through the EFTPOS terminal. Refunds will be processed through CASES21 creditors and all payments through internet banking software must be consistent with Department requirements and must be authorised by the Principal and one other member of school council nominated by the school council.
- Carrum Downs Secondary College will undertake maintenance and upgrading of hardware and software as required.
- Carrum Downs Secondary College will ensure proper retention/disposal of all transaction records relating to accounts such as purchase orders, tax invoices/statements, vouchers, payroll listings and relevant CASES21 reports.

EFTPOS

- The Principal of Carrum Downs Secondary College, will ensure all staff operating the merchant facility are aware of security requirements. At our school, this includes ensuring the transaction is approved, an EFTPOS transaction receipt is retained for college records and funds are receipted in CASES21 when received in the administration office.
- School council minutes must record which staff are authorised to process transactions.
- No "Cash Out" will be permitted on any school EFTPOS facility.
- Carrum Downs Secondary College will accept EFTPOS transactions via telephone or post.
- Carrum Downs Secondary College does not approve refunds by EFTPOS.

Direct Debit

- All direct debit agreements must be approved and signed by school council prior to implementation.
- The school council requires all suppliers to provide tax invoices/statements to the school prior to direct debiting any funds from the school's account
- A direct debit facility allows an external source, Vic Super to a pre-arranged amount of funds from the school's official account on a pre-arranged date. Any such payments will be authorised as appropriate and required.

- Carrum Downs Secondary College will ensure adequate funds are available in the Official Account for the “sweep” of funds to the supplier.

Direct Deposit

- Carrum Downs Secondary College utilises a “two user authorisation of payments” banking package, as it contains a greater degree of security and access controls.
- Creditor details will be kept up to date and the treatment of GST for creditors will be monitored.
- Payment transactions will be uploaded as a batch through the CASES21 system.
- All payments made through the internet banking system must be authorised by two authorised officers as listed in College council minutes at the commencement of each year.
- The various internal controls that need to be considered include:
 - the identification of staff with administrative/authorisation responsibilities [cannot be the Business Manager]
 - the identification of payment authorisers as recorded in College council minutes. At the commencement of the year.
 - the allocation and security of personal identification number (PIN) information or software authorisation tokens
 - the setting up of payee details in CASES21
 - the authorisation of transfer of funds from the official account to payee accounts
 - alternative procedures for processing, using the direct deposit facility, for periods of Business Manager’s and Principal leave of absence.

BPay

Carrum Downs Secondary College does not utilise BPay for the payment of invoices.
