

SCHOLARSHIP APPLICATION LETTER

17 March 2017

Carrum Downs Secondary College Scholarships 2018.

Dear Parents & Guardians

Carrum Downs Secondary College is extremely proud of its academic results. In recent years we have had students achieve ATAR scores in the top 5% of the state. Our extensive and award winning pathways program supports our students in achieving entrance to their choice of university, TAFE and apprenticeships. We are committed to be the school of choice for all young people of Carrum Downs and Skye.

As a part of this commitment the college intends to support students who display particular talents by offering scholarships to the value of \$350 to students who are highly motivated, talented and are achieving academic excellence.

Expressions of Interests for the scholarships are required by Friday 16th June 2017. All applications will be reviewed, and shortlisted applicants will be notified of an interview time. Only students who are accepted into CDSC in August will be considered.

Scholarships will be awarded on the basis of this interview as well as the written application, reference checks and information provided by the student's primary school.

Yours Sincerely

Mark Gow
Principal

SCHOLARSHIP APPLICATION LETTER

CARRUM DOWNS SECONDARY COLLEGE SCHOLARSHIPS 2017 EXPRESSION OF INTEREST- Due Friday 16 June 2017

All students who register an expression of interest will partake in an interview during September 2017, after they have been notified of acceptance to Carrum Downs Secondary College. At that time students will need to submit a resume that they have developed themselves with supporting evidence.

It should contain:

- Why they are applying for a scholarship, their successes at Primary School, copies of School Reports & Awards and any further evidence that supports their application.

Applications will be returned after the interview process.

Expression of Interest Reply Slip
